

How to Create a UC Scout Account

1. Click [here](#)

2. Fill in your FHS student information

The screenshot shows the 'scout' logo for the University of California. Below it is the heading 'Create a new Customer Account'. The form includes fields for: First Name, Middle Name, Last Name; Birthday (with a date format hint MM/dd/yyyy); Email; Login Password and Verify Password; and Secret Question and Secret Answer. At the bottom are 'CREATE' and 'BACK' buttons. To the right, a 'HINTS' section provides instructions: 'Use FHS Office 365 email address' with an example '00000@students.fillmoreusd.org'; 'Use your ID number'; 'Use your FHS computer logon password'; and 'Write a simple question you won't forget the answer to. Example: What's your favorite color?'. Colored arrows point from these hints to the corresponding form fields.

3. Write down your username, password, secret question, and secret answer in a safe place!

4. Click "Create"
